On behalf of the HRHC, I want to thank you for your continuing efforts to promote affordable housing in Hampton Roads.

The HRHC is a 501(c)(3) nonprofit organization and active member of the Virginia Housing Coalition. Our membership includes local governments, redevelopment and housing authorities, non-profit housing providers, mortgage lenders, realtors, building associations, and other organizations with an interest in affordable housing. Although our primary focus is to improve housing opportunities for lower income households, our programs deal with a wide range of issues relating to the local housing market. We have guest speakers at each of our quarterly membership meetings and sponsor other workshops and professional training events throughout the year. Some other benefits of membership include:

- Affordable membership dues. (*Organization rate of \$50 covers up to five staff members*)
- Reduced rate to paid events and workshops.
- Member Organization's name displayed on the HRHC website.
- Email blast of upcoming housing related news and events.

I have enclosed a combination Membership Application/Renewal form and invite you to start or renew your organization's membership in the HRHC. Please return the enclosed form along with your payment to the address listed on the form or you may make payment via credit card at www.hamptonroadshousing.org under the Membership tab.

Best regards,

Shernita L. Bethea
