

# HAMPTON ROADS HOUSING CONSORTIUM

## Quarterly General Membership Meeting Notice

### *The Role of Advocacy in Addressing Housing in Hampton Roads*

The Virginia General Assembly of 2012 had many challenges and opportunities this budget session as it relates to housing. HRHC invites its members to hear more about these issues, who the decision makers are, how the process works, and how our organization can become more proactive in the advocacy process.

This meeting will also discuss:

- New legislation that passed and the implications
- Legislation that did not pass
- Possible legislation that may be held over to the 2013 session

Come out and learn more about the legislative process and participate in an open discussion concerning communication between the constituents, lobbyists, and our elected officials.

**Thursday, April 12, 2012**  
**10 am -12 Noon**
