

HAMPTON ROADS HOUSING CONSORTIUM

Quarterly General Membership Meeting Notice

Thursday, April 10, 2014

Pathways to Partnership (Part 2)

This is a continuation to the Pathways to Partnership project held in July 2013. This is an interactive discussion with other fellow professionals on numerous housing related topics designed to assist participants in building better services and programs while fostering partnerships, sharing of knowledge and resources, and identifying impediments to providing effective, worthwhile assistance to clients! Come listen to the results from the first session, while providing input and solutions.

Thursday, April 10, 2014
10 am - 12 Noon
Hampton Roads PDC
Regional Building
723 Woodlake Drive
Chesapeake, VA 23320

There will also be updates on the new Regional Visioning Project, **Envision Hampton Roads**. Input from housing professionals is crucial in this planning process.
